

Fiscal Year 2025 **Annual Report**

JULY 1, 2024—JUNE 30, 2025

Painting a brighter future!

The Kempe Foundation focuses on the prevention and treatment of child abuse and neglect.

We work to ensure all children have the opportunity to develop and grow in a safe, healthy, and nurturing environment by supporting experts in the field, advocating for children, and engaging with communities. Through partnerships with The Kempe Center, human service agencies, other child-serving nonprofits and funders, we make a difference in the lives of children, families, and communities.

“Kempe continues to innovate, advocate, and collaborate to improve child well-being and to prevent child maltreatment. We are grateful to all those who share in our mission and vision. The support you provide is deeply meaningful to each child and family that are reached through impactful Kempe programs and services.”

KEMPE'S 2025 STORIES OF HOPE GALA

Painting a Brighter Future was an impactful night of stories of resilience. We came together as a community to bring hope to the children and families whose lives have been impacted by abuse, neglect, and trauma. This year's event focused on the growth of Kempe initiatives that seek to prevent adverse childhood experiences. We heard first-hand accounts from those directly impacted by our programs and advocacy efforts. Our speakers gave testimony to how Kempe is reaching children in schools and supporting teachers, as well as strides in addressing 21st century forms of child abuse. We also honored Chevron with the annual Imhoff Family Community Award for their unwavering dedication to improving their community and the lives of children and families, partnering with over 100 nonprofit organizations across the state of Colorado. Over the course of the night, we raised \$491,000 thanks to the generosity of our guests and sponsors! When we work together, we can paint a brighter future.

\$491,000 RAISED

LEGISLATIVE RECEPTION

On January 27th, Kempe hosted local politicians at the History Colorado Center to learn more about our efforts to keep youth safe and healthy from online harms. We heard from our Advocacy Director, Warren Binford, who gave a presentation on her research of 21st Century Forms of Child Abuse and Advancing Research Worldwide to Understand How Technology Can Help or Hurt Children.

COLORADO GIVES DAY

Colorado Gives Day is the biggest 24-hour giving moment in the state for Colorado nonprofits. Every year, Coloradans come together to support the causes they care about most. Through the help of our board members and donors, Kempe raised \$110,000 this year! This low-cost fundraising event allows funds to go directly towards the safety and well-being of children.

Fiscal Year 2025 Impact Report

Advocacy

The Kempe Foundation engages in legislative advocacy in the Colorado General Assembly and coordinates expert testimony from Kempe Center professionals to legislative committees to inform policy in the best interests of children, youth, and families. In the 2025 legislative session, our impact included:

House Bill 25-1188

This Mandatory Reporter Task Force Recommendations bill reformed child abuse reporting in Colorado; Dr. Kathi Wells and Professor Ida Drury served on the task force, and Professor Drury testified.

House Bill 25-1287

This Social Media Tools for Minor Users and Parents bill sought to protect children and youth from online harm including sexual exploitation and trafficking alongside the Protections for Users of Social Media Senate Bill 25-086; Professor Warren Binford collaborated with advocacy groups and testified.

Senate Bill 25-197

This bill on the Tony Grampsas Youth Services Program improved and funded this vital statewide program for vulnerable youth; Professor Michel Holien of Fostering Healthy Futures testified.

House Bill 25-1204

This Colorado Indian Child Welfare Act strengthened protections for tribal children and families; Professor Kendall Marlowe collaborated on advocacy with the Southern Ute Indian Tribe and testified.

Programs

119

KIDS TREATED SINCE
OPENING IN 2023

KICS Clinic IN PARTNERSHIP WITH CHILDREN'S HOSPITAL
COLORADO AND ARAPAHOE COUNTY

Providing health services for children that are in out-of-home placements
such as kinship or foster care.

REACHING OVER 5,000
